Stewardship 2024

Over the past 150 years, members of Christ Church have persevered through war, civil strife, the Great Depression, and, most recently, the Coronavirus pandemic.

Throughout the changes, joys, and challenges of life, Christ Church has proclaimed the Gospel, walked with people through the ups and downs, served families in need, and equipped believers to grow in the knowledge and love of the Lord.

Despite the challenges of the past few years, between our attendance in church and online, more people worship at Christ Church every Sunday than at any time in our history. To respond to the needs of young families especially, this past month, Christ Church successfully completed a campaign to raise over \$3 million to create and re-develop excellent spaces for children's ministry on both our historic downtown campus and at Christ Church South. Construction has commenced!

This is an exciting season in the life of our congregation. With new Children's Ministry Centers slated to open in 2024, this coming year promises to be remarkable. Our ministries are made possible by the generous stewardship of time, talents, and treasure of people like you and families like yours.

Thank you!

We thank God for His generosity. By God's grace, your commitment will help us to powerfully impact lives with the love of Jesus through the ministry of Christ Church. Please join me by making a pledge to strongly support the ministries of Christ Church in the coming year.

Faithfully yours in Christ Jesus, *David*

**Message
from the Rector**

Our Mission at Christ Church is simple: EQUIP PEOPLE TO KNOW AND FOLLOW CHRIST

Through God's many blessings Christ Church has flourished throughout decades.

From our beginning in 1917 to 2023 our church has been a sacred place where our congregation has reaped the rewards of our spiritual needs and the loving hand of God in all we do. It's through your financial support that we are able to continue the many services our clergy staff and volunteers provides to continue to live up to our legacy for now and into the future.

**Ready
to give/pledge?**

By pledging, you are signaling your commitment to Christ Church and responding to God's generous blessings in your life. When you give back, you enable Christ Church to plan for the year ahead so that we can make wise decisions about the finances God has entrusted to us to continue building Christ's Kingdom.
